Randy,

Let's meet at the Battleship Iowa at 9:00am. That should give us plenty of time.

Thanks.

Please make sure that the pole at the Battleship Iowa is installed in a sleeve so that they can remove the poles if needed. Are the poles with the sleeves designed to be locked? I'm not sure if they should all be installed with sleeves. Are they easy to remove?

Please confirm if 9:30 am will work for you. Let's meet at the Battleship Iowa unless you prefer a different starting point.

Thank you.
